

Ronald Demos Lee

February 7, 2022

PERSONAL INFORMATION

Date of Birth: September 5, 1941
Place of Birth: Poughkeepsie, New York
Citizenship: U.S.
Marital Status: Married, three children

ORCID ID: 0000-0001-9755-0436

EDUCATION

Reed College B.A. Philosophy, 1963
University of California, Berkeley M.A. Demography, 1967
Harvard University Ph.D. Economics, 1971
Dissertation: "Econometric Studies of Topics in Demographic History"
National Institute of Demographic Studies (INED), Paris, France, Post-Doctoral Training (1970-71)

AWARDS AND HONORS

Honorary Doctorate, honoris causa, awarded by the Université de Montréal, June 2 2017.
Laureate of the IUSSP (International Population Association), 2016
Member (elected), American Philosophical Society, 2007-
Fellow (elected) of the American Academy of Arts and Sciences, 2005--
Honorary Doctorate, honoris causa, awarded by the Faculty of Social Sciences of Lund University, May 28, 2004
Fellow (elected) of the American Association for the Advancement of Science, 2004--
Edward G. and Nancy S. Jordan Endowed Chair in Economics, 2003--2014
Member (elected), US National Academy of Sciences, 1992--
Taeuber Award, from the Population Association of America and Princeton University, Awarded Bi-annually for Outstanding Achievement in Demographic Research, 1999

Corresponding Fellow of the British Academy, elected July 1, 1999.

President, Population Association of America, 1987

MERIT Award, NIA/NIH (R37), 2009-2013

MERIT Award, NIA/NIH (R37), 2004-2008

MERIT Award, NIA/NIH (R37), 1994-2003

Mindel C. Sheps Award, from the Population Association of America for Outstanding Research in Mathematical Demography and Demographic Methods, 1984

Guggenheim Fellowship, 1984-85

Runner-Up for Wells Prize for Best Harvard Economics Dissertation, 1971

COMMITTEE CHAIRSHIPS

Co-Chair of the National Academy of Sciences Committee on the Long Term Macroeconomic Effects of Population Aging, Phase I and Phase II, 2010-2015

Chair, National Academy of Sciences Committee on Population, November 1993-December 1997

Co-chair, National Academy of Science Working Group on Population and Economic Development, 1983-85

Chair, National Academy of Sciences Working Group to Summarize Determinants of Fertility in Developing Countries, 1980-83

Chair, NIA Behavioral and Sociology of Aging Review Subcommittee (NIA-S), July 1, 1996 - June 30, 1998.

Chair, NIH Study Section on Social Sciences and Population, July 1, 1987-June 30, 1989

Chair, Economic Demography Committee of the International Union for the Scientific Study of Population, 1982-84

Chair, Program Committee, 1987 Population Association of America

Chair, Nominating Committee for PAA, 1989

Chair, Mindel C. Sheps Award Committee, of the Population Association of America, 1985 and 1979-83

PROFESSIONAL POSITIONS HELD

Professor of the Graduate School in Demography and Economics, 2014--

Professor of Demography and Economics, University of California, Berkeley, 1979-2014

Founding Co-Director National Transfer Accounts project and network, 2002-2018.

Research Associate of the National Bureau of Economic Research, 2001-

Fellow of IZA (Institute for the Study of Labor/Forschungsinstitut zur Zukunft der Arbeit), 2012 -

Chair, Demography, University of California, Berkeley, 1992-1996

Founding Director, Center for the Demography and Economics of Aging, 1994-2013;
Associate Director, 2013--

Director, NICHD Training Grant in Demography, Graduate Group in Demography,
University of California, Berkeley, 1983-2014.

Director, NIA Training Grant in Demography and Economics, University of California,
Berkeley, 1995-2014.

Assistant to full Professor of Economics, University of Michigan, 1971-79

Director, Economic Demography Training Grant (NICHD) Department of Economics,
University of Michigan, 1976-79.

Research Associate, Population Studies Center, University of Michigan, 1971-79

Post-Doctoral Research at the National Institute for Demographic Studies, Paris, 1970-71

Peace Corps Volunteer, Ethiopia, 1963-65

OTHER SERVICE AND WORK EXPERIENCE

Member of Committee for the Value of Social, Behavioral and Economic Sciences to
National Priorities, National Academy of Sciences, 2017.

Co-organizer (with Andrew Mason, University of Hawaii) of Annual Global National
Transfer Accounts Workshop 2004--

Member, NICHD Advisory Council (National Institute of Child Health and Human
Development), 2007-2010

Member, National Advisory Council on Aging, (National Institute of Aging Council),
2001-2005

Member, Council (elected) of the International Union for the Scientific Study of
Population (IUSSP), 1998-2002.

Member, Organizing Committee for the 2001 World Congress of the International Union
for the Scientific Study of Population

Co-Organizer (with Alan Auerbach) of a Conference on Demography and Fiscal Policy,
October 1998, University of California at Berkeley

Co-Organizer (with Cyrus Chu) of a Conference on Economic Development and the
Demographic Transition in Asia, June, 1998, Taipei, Taiwan

Member, NIH Panel on Scientific Boundaries for Review, January 1998--1999

Member, Technical Advisory Panel for the Social Security Administration, 1999.

Member, Panel on Population Projections, Committee on Population, National Academy of Sciences

Member, International Advisory Board, International Encyclopedia of the Social and Behavioral Sciences

Member, Panel on Economic and Demographic Consequences of Immigration, Committee on Population, National Academy of Sciences

Member, Advisory Board for *Population Index*, 1996-98.

Member, Behavior and Sociology of Aging Review Committee of the National Institute on Aging, July 1, 1994-June 30, 1998.

Member, Board of Directors of the Population Association of America, 1988

Member, IUSSP Organizing Committee for the 1989 General Meeting

Member, Social Sciences and Population Studies Section of the National Institutes of Child Health and Human Development, 1985-89

Chair, IUSSP Committee on Economic Demography, 1981-1985.

Principal Organizer of the IUSSP Conference "Population Growth, Food and Rural Development" held in Delhi, India, December 1984

Principal Organizer of the IUSSP/IIASA Seminar on "Economic Consequences of Population Composition in Developed Countries" held at IIASA in Laxenburg, Austria, December 1983

Member, Board of Directors of the Population Association of America, 1981-84

Member, Census Advisory Committee on Population Statistics, U.S. Bureau of the Census, 1981-84

Member, Subcommittee on Population Research of the ACLS-SSRC Joint Committee on Chinese Studies, 1983-1984

Member, IUSSP Nominating Committee, 1981 World Congress

Member, Panel on Determinants of Fertility Change in Developing Countries, National Academy of Sciences, 1979-82.

Consultant, Trustees of Social Security Administration, 1979-80

Member, Panel of Consultants to the Council of Advisors to the Social Security Administration, 1978-79

Member, Ad Hoc Group of Experts on Demographic Forecasting, United Nations Population Division, Nov. 7-11, 1977

Principal Organizer of the MSSB Conference “Behavioral Models in Historical Demography,” held at the Population Studies Center of the University of Pennsylvania, October 1974

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

National Academy of Sciences

American Economic Association

Population Association of America

International Union for the Scientific Study of Population

European Society for Population Economics

American Academy of Arts and Sciences

American Association for the Advancement of Science

American Philosophical Society

British Academy

EDITORIAL SERVICE

Editorial Board, PNAS (Proceedings of the National Academy of Sciences), 2021-

Journal of Population Ageing, (Member of Editorial Board, 2007-)

Journal of Economics of Aging (Associate Editor 2012-)

Review of Economics of the Household (Advisory Board, 2002-)

Explorations in Economic History (Editorial Board, 1992-1997)

Journal of Population Economics (Associate Editor, 1987-)

Mathematical Population Studies (one of five editors, 1986-1996)

Journal of Development Economics (Associate Editor, 1985-1990)

University of California Press Series on Population, Associate Editor (1982-1993)

Referee for numerous journals in demography, economics, and statistics

RESEARCH GRANTS AND CONTRACTS, AND TRAINING GRANTS

Imperial College of Science, Technology and Medicine: Changes in the Distribution of Resources across Generations in both the UK and the US (7/1/2017 – 6/30/2020)

NIH National Institute on Aging, Research Grant (R24): Formal and Informal Support Systems for the Elderly in 50 Countries, 10/1/2015 – 12/30/2018.

Hewlett Foundation: Counting Women's Work, funded January 1, 2014-December 30, 2016. Ronald Lee, PI.

NIH National Institute on Aging Research Grant (R37): Macroeconomic Demography of Interage Transfers, 2005-2015.

NIH National Institute on Aging Training Grant: Training in the Demography and Economics of Aging, 1995-2013.

NIH National Institute on Aging Center Grant (P30): Center on the Economics and Demography of Aging, 1994-2014.

NICHD National Institute of Child Health & Human Development Training Grant: Interdisciplinary Training in Demography, 2011-2016.

UC Davis. Intergenerational Transfers and the Evolution of Aging. 2009-2011.

NICHD National Institute of Child Health & Human Development Training Grant: Interdisciplinary Training in Demography, 1984-2009.

NIA/UC Davis Program Project Grant (P01): Intergenerational Transfer and the Evolution of Aging, 2003-2008

NIH National Institute on Aging Research Grant (R03): Improving and Extending the Lee-Carter Method for Forecasting Mortality, 2004-2006

NIH National Institute on Aging K12 Career Award Program: Demography of Aging, 1999-2005 (Co-PI)

Social Security Administration: NBER Retirement Research Consortium – Stochastic Forecasts for Social Security Finances: Structural Time Series and Infinite Horizons

Social Security Administration: NBER Retirement Research Consortium - Project 7: What Can We Learn from Reforms in Europe? 2004-2005

William and Flora Hewlett Foundation Training Grant: Interdisciplinary Demographic Training in Issues in Third World Population and Policy, 2003-2005

NIA supplement to research grant (R37) for Implementing the Lee-Carter Method of Forecasting Mortality for use in the United Nation's Population Projections.

NIA Research Grant (R03) for Interage Transfers and the Role of the Elderly in Maya Subsistence Agriculture

NIA Research Grant (R37 MERIT Award): The Economic Demography of Interage Transfers; 1994-2004.

NIH National Institute on Aging MERIT Award (R37): The Economic Demography of Inter-Age Transfers, 2000-2005

The William and Flora Hewlett Foundation Training Grant: Interdisciplinary Demographic Training for Issues in Third World Population and Policy, 2000-2002.

NICHD Award for “Modeling and Forecasting Demographic Time Series” 1989-1993 (HD 24982)

Rockefeller grant for “Externalities to Childbearing,” June 1988 to December 1988.

NIA Training Grant for Training in Demographic Aspects of Aging, supporting one postdoctoral fellow, July 1985 to June 1994.

NICHD Award for “Equilibrium, Growth and Fluctuation in Human Populations,” for August 1, 1983 to July 31, 1986 (HD 18107)

NICHD Award for “Age and Economic Growth: Synthesis and Extensions,” for September 1, 1980 to August 30, 1983 (HD 15020)

NICHD Award for “Desired Family Size, Contraception and Aggregate Rates,” January 1979 to December 1981 (HD 12331)

NICHD Training Grant for Economic Demography, supporting annually ten predoctoral and one postdoctoral student, for July 1976 to June 1981

NICHD Award for “Correcting Census Age Distributions: A New Technique,” for July 1979 to June 1980 (HD 14656)

Social Security Administration Contract for “The Use of Economic Theories of Fertility for Long-run Forecasting,” for June to September 1979

NICHD Award to study “Population Dynamics in Preindustrial England,” funded for May 1974 to April 1976; Competing renewal awarded for May 1976 to April 1978 (HD 08586)

Bureau of Labor Statistics Contract for “Forecasting Fertility and Female Labor Force Participation: An Evaluation of Prospects,” for 1976-77

NICHD Contract for “An Econometric Analysis of U.S. Fertility Change, 1947-1974,” for July 1974-1977 (HD 42857)

Social Science Research Council award to support the conference, Behavioral Models in Historical Demography, October 1974.

BOOKS, EDITED VOLUMES and SUBSTANTIVE REPORTS

Ronald Lee with Rebecca Sear and Oskar Burger (forthcoming), editors, *Human Evolutionary Demography*, Free access at <https://osf.io/6wmjf/>.

Committee for the Value of Social, Behavioral and Economic Sciences to National Priorities (2017) *The Value of Social, Behavioral, and Economic Sciences to National*

Priorities: A Report for the National Science Foundation Report of a Committee of the National Academies of Sciences (R Lee was a member of the committee).

Ronald Lee, Sang-Hyop Lee, and Andrew Mason Eds. (2016), *Demographic Dividend and Population Aging in Asia and the Pacific*, special issue of the *Journal of the Economics of Ageing*, v.8 (December)

Committee on the Long-Run Macro-Economic Effects of the Aging U.S. Population of the National Academy of Sciences, Phase II. **Co-Chaired by Ronald Lee** (2015). *The Growing Gap in Life Expectancy by Income: Implications for Government Programs and Policy Responses*. National Academy Press.

Concepcio Paxtot, **Ronald Lee**, and Andrew Mason Eds 2015. *Exploring the Generational Economy*, special issue of *The Journal of the Economics of Ageing*: <http://dx.doi.org/10.1016/j.jeoa.2015.04.001>.

Committee on the Long-Run Macro-Economic Effects of the Aging U.S. Population of the National Academy of Sciences, Phase I. **Co-Chaired by Ronald Lee** (2012). *Aging and the Macroeconomy: Long-Term Implications of an Older Population*. National Academy Press.

with David Reher (eds), *Demographic Transition and Its Consequences, Special Supplement to Population and Development Review*. 37 (Population Council, 2011). <http://onlinelibrary.wiley.com/doi/10.1111/padr.2011.37.issue-s1/issuetoc>

with Andrew Mason, (eds.) (2011), *Population Aging and the Generational Economy: A Global Perspective*. Edward Elgar. (viewable on the IDRC website <http://www.idrc.ca/EN/Resources/Publications/Pages/IDRCBookDetails.aspx?PublicationID=987> }
